

We build strength, stability,  
self-reliance *and* shelter.

September 2022

Greetings!

As we savor the last of summer, we are looking forward to our next round of applications for our homeownership program. Habitat for Humanity of Eastern Connecticut will be accepting applications between September 1<sup>st</sup> and 30<sup>th</sup>. This application round includes homes in Gales Ferry and Norwich.

Our program changes lives and we rely on word of mouth to share the information throughout local communities. You or someone you know may need decent affordable housing, be interested in living in Gales Ferry or Norwich, or interested in learning more about our homeownership program. We hope that the enclosed information is useful to you and your community.

We require anyone who is interested in applying to visit our website for specific details: [www.HabitatECT.org/homeownership](http://www.HabitatECT.org/homeownership). Here you will be able to access our Application Information Meeting (AIM) in the form of a video and survey starting on September 1, 2022. To download the pre-qualification application, interested parties must complete the online AIM process.

The AIM informs anyone interested in becoming a Habitat for Humanity homeowner about the program and the qualifying guidelines. All pre-qualification applications must be date stamped no later than September 30<sup>th</sup>, which is when the program closes. We reserve the right to close this application round at any time.

Included with this letter is a flyer with more information about our program. We would greatly appreciate it if you would share this information with others in your community. It can also be downloaded on the homeownership page on our website.

Please contact me with any questions about the program. We are looking forward to hearing from you in September.

Yours in partnership,

Tara Filip
