# TEACHER INTRODUCTIONS!

HES is happy to welcome two new members to our teaching community. Team A and Team C will be led by wonderful educators and I'm excited for these teachers to get to know, and fall in love with, our students and families.

## TEAM A: Mrs. Heather Hawkins

Mrs. Hawkins comes to us with experience working with younger students. Her kindness and care for students is made obvious in how she talks about wanting to support all learners. She will be a great addition to our staff.

## TEAM C: Ms. Jill Paterson

Ms. Paterson joins us with a large skill set related to teaching and learning. Her attention to detail and care and concern for high levels of understanding will be exactly what our older students need. I have no doubt she will love Hampton!

Along with our new additions, students will be happy to see familiar faces that are excited to greet them on day one!
