- Report Cards issued on 11/30

MULTISENSORY ENVIRONMENT

Hampton Elementary School has a new space for students! The Multisensory Environment (MSE) is freshly painted and full of equipment that supports the needs of students related to self-regulation. Students can visit this room with an adult for a period of time to reset their emotions, energy level, and/or focus level.

For more information, use the QR code below for an article titled "Sensory Spaces in Schools".

[Coming Soon!](#)

In the month of November, there will be updates and changes to our school's PBIS (Positive Behavioral Intervention and Support) program. Expect your students to come home with stories about receiving PAWS, school wide spirit days, and more!
