# TEACHER INTRODUCTION!

HES is happy to welcome another new member to our teaching team.

Special Education Teacher: Mrs. Melissa Lynch  
Mrs. Lynch started working at HES at the end of September and has been a great addition to our teaching and learning community. She comes to us with years of experience from Killingly Public Schools and will help service our students on academic plans. Mrs. Lynch has already joined our staff in some professional learning conversations, met students, set her schedule, and decorated her room. Students are grinning from ear to ear as they work to get to know her.  
Welcome to HES Mrs. Lynch!
