Dear HES Community Member:

It is a pleasure to continue in my role as Director of Special Education in which I support the students, staff, and families in a variety of ways. This document contains links to important documents that are the foundation of our work; they are available on our website as well. Please reach out with any questions that you have throughout the year; though I work part-time at HES, I will reply to emails as quickly as possible.

If we have not already met, you are welcome to make an individual appointment for a phone call or personal meeting at your convenience; you can email me at mchretien@hamptonschool.org.

I look forward to another productive year here at HES.

Sincerely,

Mary Jo Chretien
